District Health Department #10
Healthy People, Healthy Communities

Manton and Mesick School Nurse E.O.E.

District Health Department #10 seeks a full-time Public Health Nurse for 42 weeks during the school year and part-time for 10 weeks (a day and a half per week) during the Summer. This position will be based in Wexford County.

Duties:

- Provides school/public health nursing services to support both Manton and Mesick Schools
- Provides education to improve the health status of youth
- Provides navigation for the Community Connections HUB for clients' complex health needs within the 5 northern DHD #10 counties.
- Collaborates with multi-disciplinary and multi-agency teams
- Must have excellent clinical decision-making skills
- Must be a self-starter to work independently off-site

Requirements:

- Graduation from accredited professional nursing program
- BSN required and licensed to practice in Michigan
- Two years' experience in community nursing required
- Ability to work with a small team in a school clinic setting
- Ability to work with the adolescent population to improve health outcomes
- Ability to work with the adult population with complex health and social needs within a multi-disciplinary team, providing navigation to community services to meet needs
- Communication skills necessary to interact appropriately with adolescents, parents/guardians, co-workers, school staff, and the public

District health provides a competitive benefit package.
