

ASSISTANCE NOW AVAILABLE FOR BUSINESSES NEEDING PERSONAL PROTECTIVE EQUIPMENT

May 22, 2020 – Pure Michigan Business Connect (PMBC) has announced it is expanding its online platform to offer free help to Michigan businesses in need of purchase non-medical grade Personal Protective Equipment (PPE).

This expanded platform is called the “COVID-19 Procurement Platform” and it is supporting the PPE needs of Michigan businesses as they work to keep their employees safe and healthy as Michigan’s economy begins to reopen.

The platform is available for all scales of PPE needs and is open to companies of all sizes and industries. It allows for business to search out PPE through a list of suppliers as well as functions as a location for businesses with the capacity to supply PPE to submit their information as a supplier.

Visit michiganbusiness.org/ppe to learn more and to access the online platform.
