

## NEIGHBORHOOD COVID-19 TEST SITE AND FLU CLINIC IN LUDINGTON THIS SUNDAY

*Get tested for COVID-19 and get your flu shot*

December 1, 2020 – District Health Department #10 (DHD#10) is hosting a drive-thru COVID-19 testing site and flu clinic this Sunday, December 6, from 10:00 AM to 3:00 PM at the Ludington Department of Public Works at 975 1<sup>st</sup> Street in Ludington.

As part of the Michigan Department of Health and Human Services (MDHHS) COVID-19 Neighborhood Test Site initiative, DHD#10 coordinated this effort with help from the Mason County Emergency Manager as well as local law enforcement and fire services. MDHHS is utilizing Honu Management Group to perform the testing and process the specimens, and instructions will be given for how individuals can receive their results.

Pre-registration is encouraged by clicking on the QR code below (with your smartphone, open your camera app and place it over the QR code and a website will come up for you to click on). You can also sign up at [honu.dxresults.com](https://honu.dxresults.com) or call 855-873-6996. If you are unable to register ahead of time, you can do so at the event.

In addition to the drive-through COVID-19 testing, DHD#10 is providing flu shots to anyone wanting one. There is no out-of-pocket charge for the COVID-19 test or the flu shot but bring your insurance card if you have one and it will be billed to recoup costs.

“When MDHHS approached us on setting up a Neighborhood COVID-19 Test Site, we saw it as an ideal opportunity to also provide the flu shot to those needing one,” stated Kevin Hughes, Health Officer for DHD#10. “With COVID-19 and the flu overlapping this year, now is the time to do what we can to protect our health and the health of others.”

Anyone getting a flu shot during this drive-thru event will also receive a \$5 Subway gift card, courtesy of West Shore Bank who provided the funds for the gift cards.

Both the COVID-19 testing clinic and the flu clinic are available to anyone aged 6 months and up.
