This week, DHD#10 is hosting first-dose and second-dose clinics for the priority groups throughout our ten-county jurisdiction. Vaccine clinics are by appointment only – please no walk-ins. If people do not show up for their scheduled appointments, DHD#10 has a stand-by list made up of people on our waiting lists to call in so that no vaccine goes to waste. If you are unable to make your scheduled appointment, please email us at covid@dhd10.org to let us know. You will be placed back on the waiting list and will be contacted as soon as we can get you rescheduled.

We ask that you refrain from calling the health department to ask about scheduling the vaccine. Please go to our website at www.dhd10.org/coronavirus for more information. If you haven't already, sign up for our Public Health Alert at www.dhd10.org/subscribe to stay informed.
