

DHD#10 HOSTING MASS COVID-19 VACCINE CLINICS THIS WEEK BY APPOINTMENT ONLY

March 11, 2021 – District Health Department #10 (DHD#10) is hosting offsite mass vaccination clinics in all ten counties to accommodate the larger number of eligible residents throughout the jurisdiction. **These clinics are by appointment only – please no walk-ins.**

“Now that our eligibility for the vaccine has opened up to more people and vaccine supply is improving, we found it necessary to host clinics at offsite locations that can accommodate larger numbers of people,” stated Kevin Hughes, Health Officer for DHD#10. “Offsite clinics are an enormous undertaking for us to move equipment and supplies and to ensure we have enough staff and volunteers to assist with each clinic. We are grateful for our dedicated staff and volunteers who so graciously give of their time to make this happen.”
