

Health Resource Advocate

District Health Department #10 seeks a full-time Health Resource Advocate (HRA) to support School Health and COVID mitigation. This is a grant position through July 2022 with the potential of renewal next summer. Note- some of this position maybe eligible to work from home – however, there are requirements to be physically present in our offices and the local school districts.

Location Available: Mason County

Duties:

- The Health Resource advocate will provide front-line support for local school district's COVID response including reporting, contact tracing, testing, vaccination, etc.
- They will be helping school districts identify emerging COVID-related health concerns, & strengthen best health practices by providing consultation, prevention services, & PH strategies for the districts.
- The HRA will be assigned to cover 1-2 counties with support to other counties as needed.

Requirements:

- Bachelor's degree from an accredited college or university; or Registered Nurse.
- No Experience required; one year of community experience recommended.
- Strong communication & interpersonal skills including the ability to communicate in a professional, non-judgmental & empathetic manner maintaining emotional & cultural competency.
- Ability to work independently & as part of a multidisciplinary team.
- Proficiency with the use of computers & ability to navigate databases.
- Experience in health education, school health, or social services preferred.
- Bi-lingual (English/Spanish) preferred, but not required

District health provides a competitive benefit package.
