For those needing a COVID-19 test, DHD#10 is hosting testing clinics at various locations throughout their jurisdiction. Find a testing site near you at [www.dhd10.org/covid19-testing-clinics](http://www.dhd10.org/covid19-testing-clinics). You do not need to be a resident to get tested at any of these clinics. COVID-19 testing also takes place at most pharmacies, urgent cares, and your primary health care provider's office.

DHD#10 does not supply COVID-19 at-home tests; however, test kits are available at most pharmacies. Be sure to call your pharmacy ahead of time, as demand is high. If you have a positive COVID-19 at-home test kit, please report it here: <https://survey.alchemer.com/s3/6055601/3a61f0729898>

Employers are critical to our understanding of outbreaks. If you are an employer and would like to report a positive test result from your organization, please do so at: [covidreporting@dhd10.org](mailto:covidreporting@dhd10.org).
