

## DHD#10 REQUESTS POP-UP COVID-19 CLINICS

### *DHD#10 Looks for Community Partners to Host COVID-19 Vaccine Clinics*

January 5, 2022 – District Health Department #10 (DHD#10) is looking for community partners that are interested in hosting pop-up COVID-19 vaccine clinics at their businesses, organizations, or community events.

“With COVID-19 infections remaining high, it is more important than ever that we continue providing convenient opportunities for residents to get tested and vaccinated,” said DHD#10 Health Officer Kevin Hughes. “Help from our community partners will assist us in making sure everyone has access to vaccinations and testing. When our community partners engage in these efforts, our communities are more likely to partake in getting vaccinated and tested.”

All vaccine clinics will have the Johnson & Johnson, Pfizer, and Modern vaccines as well as boosters for those eligible. The Pfizer booster shot has been authorized and made available for those 16 and older. Hosting usually lasts one day, for a specified duration.

For those interested in hosting a COVID-19 vaccine or testing clinic at their location, please complete this registration form: <https://bit.ly/3j52rSj>

For those needing a COVID-19 test, DHD#10 is hosting testing clinics at various locations throughout the jurisdiction. Find a testing site near you at [www.dhd10.org/covid19-testing-clinics](http://www.dhd10.org/covid19-testing-clinics). You do not need to be a resident to get tested at any of these clinics. COVID-19 testing also takes place at most pharmacies, urgent cares, and your primary health care provider’s office.

DHD#10 does not supply COVID-19 at-home tests; however, test kits are available at most pharmacies. Be sure to call your pharmacy ahead of time, as demand is high. If you have a positive COVID-19 at-home test kit, please report it here: <https://survey.alchemer.com/s3/6055601/3a61f0729898>

Employers are critical to our understanding of outbreaks. If you are an employer and would like to report a positive test result from your organization, please do so at: [covidreporting@dhd10.org](mailto:covidreporting@dhd10.org).
