

DHD#10 NOW DISTRIBUTING KN95 MASKS

DHD#10 Distributing Limited Supply of Masks to Area Residents

February 2, 2022 - District Health Department #10 (DHD#10) announces that they have received a limited supply of KN95 masks from the Michigan Department of Health and Human Services (MDHHS) and have begun the distribution process to local area residents.

DHD#10 is now distributing KN95 masks, 3 per person, at all 10 of their offices. Masks will be distributed on a first-come, first-served basis while supplies last. DHD#10 will continue to order additional masks from MDHHS as needed but may run out of stock periodically.

“Now that KN95 masks are available to the public in each of DHD#10’s offices, we encourage residents to stop by during regular office hours to pick some up,” said DHD#10 Health Officer Kevin Hughes. “Please know that supplies are limited and are only made available from MDHHS. It is possible we could run out and we ask for your patience and understanding. Wearing a mask indoors, in public places, is a very important step in preventing further spread of COVID-19 and its variants.”

For information about where your nearest DHD#10 office is located, please visit: <https://www.dhd10.org/clinic-locations/>.

For those wanting to schedule their COVID-19 vaccine, booster dose and/or flu shot, please visit www.dhd10.org/schedule or call 888-217-3904.

For those interested in hosting a COVID-19 vaccine or testing clinic at their location, please complete this registration form: <https://bit.ly/3j52rSj>.

For those needing a COVID-19 test, DHD#10 is hosting testing clinics at various locations throughout their jurisdiction. Find a testing site near you at www.dhd10.org/covid19-testing-clinics. You do not need to be a resident to get tested at any of these clinics. COVID-19 testing also takes place at most pharmacies, urgent cares, and your primary health care provider’s office. You can also find testing in neighboring counties on the Michigan Department of Health and Human Services’ (MDHHS) site: https://www.michigan.gov/coronavirus/0,9753,7-406-98178_104699_104714-554722-,00.html.

DHD#10 does not supply COVID-19 at-home tests; however, test kits are available at most pharmacies. Be sure to call your pharmacy ahead of time, as demand is high. You can also get at-home tests through the U.S. Department of Health and Human Services (HHS) and the United States Postal Service (USPS) here: <https://www.covidtests.gov/>. If you have a positive COVID-19 at-home test kit, please report it here: <https://survey.alchemer.com/s3/6715540/Home-Test-Report>.

Employers are critical to our understanding of outbreaks. If you are an employer and would like to report a positive test result from your organization, please do so at: covidreporting@dhd10.org.
