

DHD#10 MEETING SPECIAL NEEDS KIDS WHERE THEY ARE

Parents of Kids with Special Needs Can Now Schedule In-Home Vaccinations

April 28, 2022 – District Health Department #10 (DHD#10) is announcing their vaccination nurses are making in-home vaccination visits for children with physical or mental disabilities.

Children with special needs can now get in-home vaccinations by scheduling with DHD#10. All that is needed is a copy of an insurance card and a copy of a photo ID; however, in some cases these may not be necessary. If your child has a physical or mental disability and resides within the DHD#10 jurisdiction, they are eligible in-home vaccinations. To schedule, please call 231-236-7587.
