

Environmental Health Sanitarian E.O.E.

District Health Department #10 seeks a full-time Environmental Health Sanitarian. This position will be based in Mecosta County.

Duties:

- The sanitarian position primarily supports the Environmental Health Division by enforcing the agency's sanitary code.
- Essential duties include issuing and approving well and septic permits, investigating public health complaints, conducting DHHS daycare inspections, conducting long-term groundwater monitoring and septage vehicle inspections.
- Other duties include inspecting campgrounds, swimming pools/spas and other duties as required.

Requirements:

- Must have a Bachelor of Science Degree in Environmental Health, science or closely related field with a concentration in the natural sciences.
- Registration as a Sanitarian (REH/RS) or (RS) is preferred but not required.
- Strong organizational skills with the ability to work independently with general supervision.
- Must have reliable transportation and the ability to plan, organize, and communicate effectively with the public and other staff.
- Ability to work effectively in adverse weather conditions.

District health provides a competitive benefit package.

Submit resume and cover letter. This posting will remain open until filled with preference given to those applications received by 05/05/2022.
