BOARD OF HEALTH

Health Officer Report
March 25, 2022

1. **COVID-19 Update:** Information on current case counts, vaccination efforts and changes on to the Case Investigation/Contact Tracing processes will be shared at the meeting.
2. **PFAS Update:** Site specific updates will be shared at the Board meeting based upon recent and ongoing developments.
3. **Formal Hearing with Restaurant:** On Monday, June 6, 2022, DHD#10 held a formal hearing for the purposes of addressing ongoing priority and priority foundation violations with CIK Restaurants, LLC in Manton. The hearing was held despite the owner not attending. A letter was provided to the owner listing the hearings outcome as well as the next steps for the establishment to take. Failure to correct the issues resulting in the hearing will lead to suspension of the food license.
4. **Initial Meeting with Lighthouse Company:** We had an initial meeting with Lighthouse Company, our new benefits administrator, to begin discussing change-over and the enrollment process which will be used. Additional meetings will be held in the near future following the receipt of our health insurance renewal rates.
5. **NALBOH Conference:** Just a reminder that I need to know if any BOH members wish to attend this year's conference, 8/1-8/3, in Grand Rapids. If you can let either Stephanie or myself know by June 30th it would be appreciated.

Respectfully submitted:
