For those needing a COVID-19 test, DHD#10 is hosting testing clinics at various locations throughout their jurisdiction. Find a testing site near you at www.dhd10.org/covid19-testing-clinics. You do not need to be a resident to get tested at any of these clinics. COVID-19 testing also takes place at most pharmacies, urgent cares, and your primary health care provider's office. You can also find testing in neighboring counties on the Michigan Department of Health and Human Services' (MDHHS) site: https://www.michigan.gov/coronavirus/0,9753,7-406-98178_104699_104714-554722--,00.html.

DHD#10 does not supply COVID-19 at-home tests; however, test kits are available at most pharmacies. Be sure to call your pharmacy ahead of time, as demand is high. You can also get at-home tests through the U.S. Department of Health and Human Services (HHS) and the United States Postal Service (USPS) here: <https://www.covidtests.gov/>. If you have a positive COVID-19 at-home test kit, please report it here: <https://survey.alchemer.com/s3/6715540/Home-Test-Report>.

Employers are critical to our understanding of outbreaks. If you are an employer and would like to report a positive test result from your organization, please do so at: covidreporting@dhd10.org.
