

School Nurse E.O.E.*

District Health Department #10 seeks a Full-time School Nurse. This position will be based in Mason County and open until filled.

Duties:

- Working independently and with minimal supervision, provides School Nursing services and COVID response support to schools and their families including case investigation and contact tracing, testing and vaccinations, and outbreak and mitigation support to schools.
- Provides general school nursing services to students and staff.
- Provides education to improve the health status of youth and the school community.
- Collaborates and consults with multidisciplinary and multi-agency teams to achieve desirable outcomes to prevent and reduce COVID outbreaks.

Requirements:

- Graduation from accredited nursing program with a current Michigan License.
- Bachelor of Science in Nursing preferred.
- Advanced Nursing skill and knowledge at a level normally acquired through two years of related, professional experience.
- Community or school health experience preferred.
- Ability to enter, retrieve, and manage client data, note and care plans in EHRs and state databases required.
- Cultural sensitivity and ability to work with diverse communities and families.
- Strong communication skills necessary to interview, instruct and educate clients and the community.
- Bilingual Preferred.
