DHD#10 now supplies COVID-19 at-home tests; however, supplies are limited. COVID-19 test kits are limited at each DHD#10 office and are available on a first come, first served basis. Individuals are asked to take one kit per person, and up to four kits per household. Each kit has two tests inside and expire January 2023. Test kits are also available at most pharmacies. Be sure to call your pharmacy ahead of time, as demand is high. You can also get at-home tests through the U.S. Department of Health and Human Services (HHS) and the United States Postal Service (USPS) here: <https://www.covidtests.gov/>.

KN95 masks are currently available in all 10 DHD#10 offices. Masks are given out 3 per person on a first-come, first-served basis while supplies last. To find your nearest DHD#10 office, visit www.dhd10.org/clinic-locations/.
