All DHD#10 offices and the drinking water testing lab will reopen as scheduled on Monday, January 2, 2023.

For those wanting to schedule their Pfizer or Moderna bivalent booster, or any COVID-19 vaccine, please visit <https://www.dhd10.org/schedule> or call 888-217-3904. If no appointments are available, consider going to a pharmacy or your primary health care provider. Additional vaccination sites can be found at <https://www.vaccines.gov/search>.

DHD#10 now supplies COVID-19 at-home tests; however, supplies are limited. COVID-19 test kits are limited at each DHD#10 office and are available on a first come, first served basis. Individuals are asked to take one kit per person, and up to four kits per household. Each kit has two tests inside and expire March 2023. Test kits are also available at most pharmacies. Be sure to call your pharmacy ahead of time, as demand remains high.
