

Environmental Health Food Sanitarian E.O.E.

District Health Department #10 seeks a full-time Environmental Health Food Sanitarian. This position will be based in Wexford County.

Duties:

- This position as an Environmental Health Sanitarian supports the Food Safety program of the EH Division by enforcing the MI Food Code and ensuring essential food safety standards are met.
- In addition to ensuring food safety, the sanitarian maintains enforcement with the agency's policies and procedures for food service establishments.
- Essential duties include inspecting restaurants, Transitory Food Service Establishments, (STFU/food trucks) inspecting facilities during festivals or other profit/non-profit events. Other duties include assisting facilities during plan review, scanning, copying, and investigating Suspected Foodborne Illness (SFBI) investigations and other general food facility/food related issues and complaints.
- This position will be based in Wexford County with coverage covering both Wexford and Kalkaska County.

Requirements:

- The applicant must have a Bachelor's Degree in the Natural Sciences, Food Safety, Biology, Environmental Health or another closely related field.
- Registration as a sanitarian (REHS/RS) is preferred but not required. The ability to work independently with little supervision and strong organizational skills is a must.
- Must have reliable transportation
- Ability to plan, organize, and communicate in an effective manner with the public, business owners, and other staff.
- Ability to work effectively in adverse weather conditions.

District health provides a competitive benefit package.
