

## CHIPPEWA HILLS WELLNESS CENTER OPEN HOUSE

*Saturday, April 15, 2023 from 11:00 AM – 2:00 PM*

April 13, 2023 – On behalf of the District Health Department #10 (DHD#10), you are cordially invited to the Open House of the Chippewa Hills Wellness Center from 11:00 AM - 2:00 PM on Saturday, April 15, 2023. The Wellness Center is located inside Chippewa Hills Intermediate School at 3102 Arthur Rd. in Remus, MI.

The Wellness Center is a collaboration between the Chippewa Hills School District and District Health Department #10 and is funded through a grant from the Michigan Department of Health and Human Services Child and Adolescent Health Center Program. The Wellness Center will provide health services to youth ages 5-21 who are enrolled in the Chippewa Hills School District including medical and mental health services, health promotion/disease prevention education, and referral services. Research demonstrates that School Based Health Centers often help increase test scores, reduce attendance problems, address behavioral problems, strengthen support services for at-risk students, decrease school violence, and help schools meet increased immunization requirements.

The Wellness Center has had a mental health clinician providing mental health counseling for over 3 years, but has expanded and moved into a new renovated space to provide medical services. The center serves youth ages 5-21 years of age in the school district, including those who are uninsured, under-insured as well as those with public or private insurance coverage. The Wellness Center can assist families in Medicaid Enrollment for those families without insurance. The CHWC hours are Monday-Friday 8:00 a.m.-4:00 p.m.

The Wellness Center is staffed with Medical Clinician, Beckee Kibler, BSN, FNP; a Mental Health Counselor, Ashley Bewell, LPC; and a Clinical Assistant, Krista Schafer.

If you have any questions, please contact Katy Bies, School Health Director, DHD#10, 616-500-0492.
