

DHD#10 SHARES WALK-IN HIV TESTING CLINICS

June 9, 2023 – June 27, 2023 is National HIV Testing Day, a day to encourage people to get tested for HIV, know their status, and get linked to care and treatment.

In support of National HIV Testing Day, District Health Department #10 (DHD#10) is promoting their Walk-in HIV Testing Clinics. Each DHD#10 location will have its own walk-in HIV testing clinic; however, times vary. Please see the listing below to find out when your DHD#10 location will be testing:

Wexford

521 Cobb Street
Cadillac, MI 49601
1-3:30pm

The Centers for Disease Control and Prevention (CDC) recommends that everyone between the ages of 13 and 64 get tested for HIV at least once as part of routine health care. People with certain risk factors should get tested more often. Learn what those risk factors are and how often you should be tested here:

<http://www.cdc.gov/hiv/basics/testing.html>.

Additional vaccines will be available at each clinic. Please bring your insurance cards. However, insurance is not required for testing or vaccination, and you will not be refused service based on your ability to pay.

DHD#10 offers rapid HIV tests and can provide results in 20 minutes. Schedule an HIV test today at any DHD#10 location. Services are confidential, LGBTQ friendly, and no one will ever be denied service due to inability to pay. Walk-ins are also welcome, or you can order a free at-home HIV test kit to test yourself at your convenience.

To schedule a rapid HIV test, call 888-217-3904. To order a free at-home HIV test kit, visit <https://www.dhd10.org/hivtest/>. You can order free condoms by visiting <https://www.dhd10.org/mail-order-condoms/>.

Learn more about DHD#10's sexual health services by visiting <https://www.dhd10.org/sexualhealth>.
