DHD#10 HOSTS READY, SET, GO! SCHOOL READINESS CLINICS

July 27, 2023 – District Health Department #10 (DHD#10) is hosting Ready, Set, Go! School Readiness Clinics at their locations throughout the month of August. These school readiness clinics will have vision and hearing screenings, dental screenings, immunizations, and a chance to meet Spiderman and Elsa.

Any child or adolescent, ages 3-19, that need immunizations, or visual and hearing screenings, to attend school, preschool, or daycare are invited to register. Residents can register by calling 888-217-3904.

The dates and addresses for the Ready, Set, Go! School Readiness Clinics are listed below:

Grayling, MI 49738

Michigan law requires children to be up-to-date with required immunizations on or before the first day of school/childcare. A child who fails to meet this requirement will not be admitted to school/childcare.

The Revised School Code (Act 451 of 1976, section 380.1177) requires that parents of children entering kindergarten present a statement to school officials confirming that they have received the Michigan Department of Community Health Vision Screening OR a statement, signed by a licensed eye care practitioner (optometrist or ophthalmologist) or medical/osteopathic physician, indicating that a child's eyes have been examined at least once after age three and before initial school entry may also be presented.

Michigan passed a law to give children the opportunity to receive a dental assessment prior to starting school, called the Michigan Kindergarten Oral Health Assessment Program (KOHA). Michigan KOHA helps ensure each student is healthy and ready for a successful school year. DHD#10 is providing NO COST oral health assessments for children.
