

DHD#10 UPDATES WIC INCOME GUIDELINES FOR 2023

June 13, 2023 – District Health Department #10 (DHD#10) highlights the Michigan Women, Infants, and Children (MI-WIC) changes for 2023. The new MI-WIC policy is effective June 1, 2023 has significant increases and MI-WIC and DHD#10 encourage families to contact their local WIC agency to apply.

New updated income guidelines for WIC include:

- Family of 2 - \$36,482 annual income, \$702 weekly income
- Family of 3 - \$45,991 annual income, \$885 weekly income
- Family of 4 - \$55,500 annual income, \$1,068 weekly income
- Family of 5 - \$65,009 annual income, \$1,251 weekly income
- Family of 6 - \$74, 518 annual income, \$1434 weekly income

(A Pregnant woman is counted as one + the number of Infants expected when determining income eligibility for the Total Economic Unit)

DHD#10 residents that are pregnant or have had a baby within the last six months, are currently breastfeeding, or are the parent of guardian of a child up to the age of 5, are encouraged to contact their local DHD#10 WIC office. Those numbers can be found here: <https://www.dhd10.org/men-women/mw-wic-2/>.
