Pentwater, MI
October 13, 2:30pm-4:30pm

Clinics are added weekly; however, residents can also schedule their Flu vaccine by visiting <https://www.dhd10.org/schedule> or by calling 888-217-3904. If no appointments are available, consider going to a pharmacy or your primary health care provider. Additional vaccination sites can be found at <https://www.vaccines.gov/search>.

The cost for the seasonal flu vaccine or the preservative-free flu vaccine without insurance is \$40. High dose flu shots are available for \$46. Please bring your insurance cards and your driver's license with you.

Many health insurance plans cover the cost of flu and COVID-19 vaccines. If not, DHD#10 may be able to help through Vaccines for Children (VFC) or other programs. DHD#10 can bill the following: Medicare*, Medicare Health Plans*, Medicaid, Medicaid Health Plans, Blue Cross Blue Shield, Blue Care Network**, Priority Health, McLaren Commercial, ASR, United Health Care, and TRICARE with an insurance card present at the time of appointment. It is important to be aware of your insurance benefit rules.

**Medicare can only be billed for Flu, Pneumococcal, or PCV13 shots.*

***Excludes Mercy Partnered Plans.*

At-home COVID-19 tests are available through <https://www.covidtests.gov>. DHD#10 also supplies COVID-19 at-home tests; however, supplies are limited. DHD#10's COVID-19 test kits are only available on a first come, first served basis. Individuals are asked to take one kit per person, and up to four kits per household. Test kits are also available at most pharmacies. Be sure to call your pharmacy ahead of time, as demand remains high.

For more information on COVID-19, visit <https://www.dhd10.org/coronavirus>.
