May 7, 2024 – District Health Department #10 (DHD#10) is hosting three community presentations covering integrated pest management for residents, campers, hikers, pet owners, apartments managers, hotel/motel managers, short-term rental managers, children’s camp administrators, commissioners on aging, and anyone who spends a lot of time outdoors, from Mecosta, Crawford, and Mason Counties.

DHD#10 is hosting three community presentations throughout the ten-county jurisdiction to highlight how to protect yourself, your family, and your home from pests using integrated pest management: bed bugs, ticks, and mosquitos. These presentations will be beneficial for residents, campers, hikers, pet owners, apartments managers, hotel/motel managers, short-term rental managers, children’s camp administrators, commissions on aging, and anyone who spends a lot of time outdoors, from Mecosta, Crawford, and Mason Counties. Space is limited. The information presented at each meeting will be the same and it is recommended to only attend one event.

Reserve your seat to attend one of three presentations hosted by DHD#10.

Tuesday, May 21st, 2024

9am-11:30am

Ferris State University

Big Rapids, Mecosta County

Friday, May 31st, 2024
