June 25, 2024 – In collaboration with the Michigan Department of Agriculture & Rural Development (MDARD), District Health Department #10 (DHD#10) is hosting a community presentation covering integrated pest management.

DHD#10 is hosting this community presentation to highlight how to protect yourself, your family, and your home using integrated pest management from the following bugs: bed bugs, ticks, and mosquitos. This is beneficial for residents, campers, hikers, pet owners, apartments managers, hotel/motel managers, short-term rental managers, children’s camp administrators, commissioners on aging, and anyone who spends a lot of time outdoors, in and around Wexford County.

Breakfast is offered and space is limited.

Reserve your seat to attend:

Monday, July 8, 2024

9am-11:30am

Baker College

Cadillac, Wexford County

Continental breakfast starts at 9am, with the presentation following from 9:30-11:30am. To register, please visit: <https://rb.gy/9gqvjb>.
